2021 DUST CONTROL PROGRAM

Deadline to submit to the RM municipal office: April 15th of the current year

The application of magnesium chloride as a form of dust control, on the municipal roadway adjacent to a **residence**, upon written request from the landowner. Submit all requests to the municipal office no later than April 15, 2021.

As of February 23, 2021, Resolution 2021/081, the following conditions apply to the program:

1. A cap has been set at **200 meters** for approved residential dust control for the 50/50 cost share. Anything beyond 200 meters is at 100% cost to the landowner.
2. The 50/50 cost share only applies to the landowner's first application of the calendar year. The landowner is responsible for 100% of the cost of any future applications within the same calendar year.
3. Dust control for the provincially *designated overdimensional route* will be a 50/50 cost share of product for 200m by residences. The landowner will be invoiced 20% of their cost due to an agreement with the Department of Highways. A second application on the overdimensional route will be invoices to the landowner at 70% and the Department of Highways at 30%. A second application is at the discretion of Council.
