Zoning District
<input type="checkbox"/> Agricultural
<input type="checkbox"/> Residential
<input type="checkbox"/> Commercial/Industrial
<input type="checkbox"/> Other (Please Specify): _____

Applicant(s) Name: Phone Number:	Contractor(s) Name <i>(If Applicable)</i> : Phone Number:
Land Location/Civic Address:	
Legal Description: Lot _____ Block _____ Plan _____	
Proposed Materials: <input type="checkbox"/> Asphalt <input type="checkbox"/> Stamped Asphalt <input type="checkbox"/> Concrete <input type="checkbox"/> Stamped Concrete/Exposed Aggregate <input type="checkbox"/> Other (Please Specify): _____ NOTE: Slag Material is NOT ALLOWED	

Approval to construct a driveway or approach will be granted by the Council provided the following conditions are met:

- 1. _____, agree to comply with the Building and Zoning bylaws of the Rural Municipality respecting development and acknowledge that it is my responsibility to ensure compliance with the Bylaws of the Municipality and applicable Acts and regulations regardless of any review of drawings or inspections that may or may not be carried out by the inspector.
- 2. _____, agree to indemnify and save harmless the R.M. of Edenwold No.158 from and against all loss, costs, charges, damages (including damages to the R.M. of Edenwold No.158) and expenses which R.M. of Edenwold may suffer or sustain as a result of operations by the applicate on subject land.
- 3. The applicant will absorb the cost to ensure the proper drainage structure (i.e. grates, swales, culverts, etc.) is put in place as part of this application in order not to alter or impede the natural flow of water. The drainage structure required will be sufficient in size and material to ensure proper drainage and must be approved by the municipal engineer and/or Manager of Public Works.
- 4. The Municipality shall be informed by the Applicant upon completion of the driveway and the driveway shall be subject to inspection by the Municipality. Any deficiencies identified by the Municipality in the construction of the driveway shall be corrected by the Applicant. If the driveway does not meet the Municipalities standards, the Municipality will build the applicant’s driveway to meet standards and the applicant will be invoice.
- 5. A driveway extension must be built with the same material as the existing driveway is currently built with across the municipal right-of-way. (i.e.) concrete
- 6. **Slag is a prohibited material** for the construction/extension of a driveway.
- 7. That the engineered designed drainage is not compromised.
- 8. That it is **agreed upon that the driveway extension area shall** be available to be a snow removal area used by the Rural Municipality of Edenwold when required.
- 9. Winter storage of any Recreational Vehicles is **prohibited** on the driveway extension area.
