

DIVISION 2 CANDIDATE PROFILE

Randy Schulz

For as long as I can remember, serving my community has been an important part of my life.

For 20 years, I served in emergency services, including nine years as Fire Chief for White City. Throughout that time, I had the privilege of working alongside dedicated volunteers and first responders to help keep residents of White City, Emerald Park, and the RM of Edenwold safe.

Two years ago, I retired from the fire service, but my desire to serve our community has never changed. That's why I'm seeking a position on RM of Edenwold Council.

In addition to my emergency services background, I bring practical business experience from working in our family owned and operated company, R & G Transport Ltd. I also have strong roots in farming and rural life, which has given me a deep appreciation for the importance of well-maintained roads, dependable infrastructure, and responsible financial decision-making. I also own commercial property in Division 2, so I understand the needs of business owners in the area.

My wife Alison and I have proudly called Emerald Park home for more than 28 years. We raised our seven children here, built lasting friendships, and invested in the community we love. I am also a proud grandpa of two grandchildren and one arriving soon.

I have had the opportunity to meet with current councillors, including Nichole Posehn and Darren Bezborotko, to discuss the future of Emerald Park, its residents, local businesses, and the RM as a whole. Through those conversations, I have found that we share many of the same priorities, and I look forward to working collaboratively with all of Council to continue building a strong and vibrant community.

If elected, I am committed to listening to the ratepayers, working collaboratively, and making decisions that are in the best interests for my ratepayers.

I believe the RM of Edenwold's greatest strength is its people. By working together, we can continue building a safe and welcoming community for current residents and future generations.

I would be honoured to earn your support and the opportunity to serve as your councillor.
Randy Schulz Candidate for RM of Edenwold Council
