

DIVISION 6 CANDIDATE PROFILE

Tim Brodt

I have been the Division 6 councillor since 2014. As a third generation ratepayer in the RM of Edenwold, I feel that I have a genuine connection with the community that I serve. Both my children have made their homes in the RM and my hope is that my grandchildren will also decide to stay in the community.

In the past 12 years, I have had the pleasure of sitting on several RM led committees, such as, EMO, Recreation, Emerald Park Waste water, Fire Commission, Protective services, Indigenous Committee and RCMP. I volunteer at several community functions serving popcorn and candy floss, from the brightly painted trailer affectionally called Tim's Not a Food Truck which was painted by four students from Greenall school. I also volunteer on our local Rural Crimewatch group and am chairperson for the Saskatchewan Rural Crimewatch Association, which is an umbrella group for all Crimewatch groups in Saskatchewan. I believe we all need to take an active roll in our community and to watch out for crime in our neighbourhood. If you would like to be part of Rural Crimewatch 158, please don't hesitate to give me a call.

Though the RM is comprised of rural and urban residents, we also have 22 subdivisions, commercial, and industrial ratepayers and 51.5 1/4 sections of treaty status land. All seven councillors take an active roll in the overall direction we believe the Rm needs to go. We must remember that although taxes are collected from different areas, it is councils responsibility to fund projects in all areas of the RM. Councillors bring forth projects they believe to be important in their division, and they are voted on, but only proceed with a majority vote.

I feel we are very proactive with our thinking, we are always looking for new ideas to streamline our web site and our RM.

I ask for your support at this years election. Please call or text me on 306-539-9117 with any concerns you have.

Thank you,
Tim Brodt
