Reeve Trainor announced the discretionary use application for a residential day care at 14 Park Bay, Emerald Park, Saskatchewan.

Reeve Trainor asked for written submissions in regard to the discretionary use application. Manager of Planning & Development Paige Boha advised that there were two (2) written submissions received and read them aloud. The first written submission from Alison Robinson was opposed to the application citing child safety concerns due to inadequate fencing along the property, potential noise and nuisance impacts associated with the proposed day care, and impact on property values due to a day care being located near them. The second submission from Terry and Terri Murphy was in favour of the application and stated there is a need for this service.

Reeve Trainor asked for any verbal submissions. None were given.
