

RESTRICTIVE COVENANT AGREEMENT

THIS RESTRICTIVE COVENANT AGREEMENT is dated the 24th day of March, 2026

BETWEEN:

GREAT PLAINS LEASEHOLDS LTD.
A body corporate, incorporated under
The laws of the Province of Saskatchewan
(hereinafter called "the Grantor")

OF THE FIRST PART

-and-

R.M. of Edenwold No. 158
A municipality pursuant to
The laws of the Province of Saskatchewan
(hereinafter called "the Grantee")

OF THE SECOND PART

WHEREAS:

A. The Grantor is the registered owner of the lands as described as follows:

Lots 1-10 inclusive, Block 42
Lots 1-11 inclusive, Block 43

All in Plan Number 102477461

(the said lands of the Grantor being hereinafter collectively called "***the servient lands***")

B. The Grantee is the owner of the lands as follows:

Title Number

Title Number

Title Number

(which lands are hereinafter collectively called "***the dominant lands***")

Handwritten signatures and initials in the bottom right corner of the page.

Which dominant lands are located immediately to the North of the servient lands and are adjacent thereto and are capable of being benefited by the restrictive covenant hereinafter set out under the circumstances hereinafter described.

C. The dominant lands are used as a municipal reserve for the benefit of the residents of the R.M. of Edenwold No. 158

D. The servient lands are located within the boundaries of the Grantee, R.M. of Edenwold No. 158 and the R.M. of Edenwold No. 158 is also therefore interested in the development of the servient lands and circumstances hereinafter described.

E. The Grantor proposes to develop residential housing lots on a portion of the servient lands (hereinafter referred to as "**the residential project**") and has agreed for the benefit of the dominant lands and for the R.M. of Edenwold No. 158 to encumber the use of the servient lands for so long as the servient lands or any part of them are used for the residential project.

NOW, THEREFORE, THIS AGREEMENT WITNESSETH AS FOLLOWS:

1. For the benefit and protection of the dominant lands or any part or parts thereof and so as to bind the servient lands, the Grantor covenants and agrees that the Grantor, and each of its successors in the title from time to time, will not use or possess any part of the servient lands, including the residential project and each lot of the residential project, except on the following conditions
 - (a) The Grantor and each of its successors in the title from time to time shall indemnify and hold harmless the Grantee, its employees, servants, contractors, agents, lessees, and sub-lessees, successors and assigns ("the indemnitees") from and against all claims, demands, damages, losses, expenses, costs (including legal fees) actions, suits or proceedings by whomsoever made, brought or prosecuted in any manner against the indemnitees based upon, related to, occasioned by, arising out of or attributed to acts or omissions (including those that may give rise to a nuisance) of the Grantee, and each of its successors in the title from time to time, as well as their lessees, sub-lessees, licenses, invitees, guests, contractors, and agents in breaching the covenants, agreements, undertakings, and obligations of the Grantee hereunder;
 - (b) The Grantor and each of its successors in title from time to time acknowledges that the presence of the dominant lands immediately adjacent to the servient lands enhances the value of the servient lands as residential building lots and will facilitate and aid the Grantor in the marketing of individual lots in the residential project.
 - (c) The Grantor and each of its successors in title from time to time shall be restricted to using a salt-free method of water softening in any residence or building built on the servient lands in order to allow the Grantee to use reclaimed water successfully for irrigation. The Grantor and its successors in title may use a water softening system that uses potassium chloride;

Handwritten signatures and initials in the bottom right corner of the page. There are three distinct marks: a large, stylized signature, a smaller signature or set of initials, and a small mark that looks like 'at'.

- (d) The Grantor and each of its successors in title from time to time shall, for the benefit of all owners of residential units on the servient lands, comply with the standards enacted by the R.M. of Edenwold No. 158 with respect to landscaping and appearance of the servient lands and the residential unit thereon.
2. For the benefit and protection of the dominant lands or any part or parts thereof and so to bind the servient lands, the Grantor covenants and agrees that the Grantor, and each of its successors in title from time to time, will not use or possess any part of the servient lands, including the residential project, except on the condition that any and all buildings and structures constructed on the servient lands shall comply with the following architectural and design conditions and processes:
- (a) Grantor shall obtain approval of the developer, Great Plains Leaseholds Ltd. and the R.M. of Edenwold No. 158 of its proposed structure and colours thereof. A permit for construction of the same must be obtained from the R.M. of Edenwold No. 158.
- (b) Construction shall be commenced within one (1) year after purchase of the lot from the developer, Great Plains Leaseholds Ltd. and, further, within one (1) year of its commencement of construction the Grantor shall have the residential building on its lot ninety five (95%) percent complete, with exterior work being totally complete (including utility hook-up, back fill and clearing the construction site of building refuse, debris, and unused construction material) so that the residential building is capable of passing its final inspections by all relevant municipal and provincial authorities and is otherwise ready for occupancy.
- (c) The residential building and lot shall be constructed and landscaped to a grade level determined by the R.M. of Edenwold No. 158 and the developer, Great Plains Leaseholds Ltd.
- (d) There shall be no occupancy until the municipal Building Official has declared the residence adequate for occupancy.
- (e) The Grantor shall plant a minimum of thirty (30) trees on its residential lot within two (2) years after completion of the residential building (cottonwood poplars are not permitted). Grantor must seed grass or plant sod for its lawn (in accordance with this agreement) within two (2) years after completion of the residential building. **ABSOLUTLY NO XERISCAPING OR XEROGARDENING IS PERMITTED IN THE FRONT YARD, SIDE YARDS, OR DITCH AREAS.** All side yards and rear yards of the lot must have a minimum of one meter of grass around the perimeter of the lot except where approved by the developer, Great Plains Leaseholds Ltd. In the event the construction of the residential building is not completed within one (1) year, the trees and grass must be completed within two (2) years and three (3) years respectively, of commencing construction. A permit for landscaping must be obtained from the R.M. of Edenwold No. 158, which will only be granted upon submission of a comprehensive landscaping plan approved by Great Plains Leaseholds Ltd.

- (f) The Grantor must, within two (2) years after completion of construction, finish the driveway with an appropriate hard surface of concrete or paving stone (no asphalt driveways are permitted). A permit for the driveway must be obtained from the R.M. of Edenwold No. 158 after approval from the developer, Great Plains Leaseholds Ltd.
- (g) The Grantor shall be responsible for the construction of a driveway entrance not to exceed 24 feet with an allowable 4 foot flare on each side at a maximum 45 degree angle and an approach from the travelled surface of the common roadway in the development to the levelled surface of the Grantors lot.
- (h) All fences must be approved by the developer, Great Plains Leaseholds Ltd. and the R.M. of Edenwold No. 158. A permit for the same must be obtained from the R.M. of Edenwold No. 158. All fence posts must be metal and cemented into the ground. No wooden fences are permitted.
- (i) In the event of non-compliance with any of the provisions of any paragraphs 2(b) through 2(h) above, the Grantor covenants and agrees as follows:
 - (i) To pay the developer, Great Plains Leaseholds Ltd. the sum of ten thousand (\$10,000.00) Dollars annually; and said sum being payable as liquidated damages, without proof of actual damages, and not as a penalty; said sum due and owing as at the date of default, and every year thereafter until there is compliance; and
 - (j) During the period of construction of the lot, the Grantor shall make an arrangement satisfactory to the developer, Great Plains Leaseholds Ltd. and the R.M. of Edenwold No 158 for the provision of construction debris pick-up and disposal from the lot, including payment of all charges and levies associated therewith, and including the placing on the lot of a construction debris container.
- (K) The Grantor agrees to install a water curb box at the property line.
- (l) The Grantor agrees that all services which are the responsibility of the Grantor shall meet all standards and other requirements of the R.M. of Edenwold No. 158.
- (m) The Grantor agrees to maintain the ditch in front of and/or side of the lot by placing and planting sod grass in the season following the year the house construction begins and agrees to maintain the buffer strips, keeping the same free from weeds and debris. Absolutely no xeriscaping or xerogardening is permitted in the front yard, side yards or ditch areas. On lots where culverts are required, a minimum 18inch depression at the edge of the pavement must be maintained by the Grantor as a minimum standard; all other lots have a u-channel with a steel covering grate and cemented in bottom installed in the driveway with a minimum width of 12 inches throughout. The Grantor will use elevations of the u-channel set by the engineer for the developer, Great Plains Leaseholds Ltd.

Handwritten signatures and initials in the bottom right corner of the page. There are two distinct signatures, one appearing to be 'AS' and another 'B', and some smaller initials below them.

- (n) During the time period of construction on the lot, the Grantor grants to the developer, Great Plains Leaseholds Ltd. the first right of refusal to acquire any excess dirt located on the property subsequent to the completion of landscaping grade for the sum of One (\$1.00) Dollar. The Grantor will deliver such excess dirt to the fill site of the developer, Great Plains Leaseholds Ltd. at its request.
- (o) The Grantor agrees to pay for a fence to be constructed by the developer, Great Plains Leaseholds Ltd. on rear yards of Lots 1-11 inclusive of Block 43, the North side yard of Lot 1 Block 43, the south side of Lot 11 Block 43, the North side yard of Lot 1, Block 42 the rear of Lots 1-10 inclusive, Block 42, at a price of \$30.00 dollars per linear foot. The fence will be a minimum of five (5) feet high and will be a black frost link fence.
- (p) The Grantor agrees to provide the R.M. of Edenwold No. 158 and the Developer, Great Plains Leaseholds Ltd., prior to occupancy, with an initial Real Property Report as to the proper location of structures and elevations on the lot and a final grade certificate after the landscaping and driveway are complete.
- (q) The Grantor agrees that any and all buildings and other structures constructed on the lot shall comply with the standards respecting exterior design variation, architecture, building materials, and colours set forth in the Schedule attached hereto and forming part hereof and must be specifically approved by Great Plains Leaseholds Ltd. as developer and the R.M. of Edenwold No. 158 in their absolute discretion.
- (r) The Grantor will comply with the provisions respecting the use of large vehicles in the attached schedule.
3. The covenants herein contained shall enure to the benefit of and be binding upon the Grantee and the Grantor and their respective successors and assigns, and shall be binding on all future owners of the servient lands or any part thereof, or any interest, and their covenants may be registered as annexed to and running with the servient lands and any lands that may hereafter be consolidated with the servient lands so that said covenants will be a burden thereon.
4. The covenants herein contained shall be enjoyed, enforced or remedied by appropriate proceedings of the Grantee (or by the developer, Great Plains Leaseholds Ltd., at the request of the Grantee) or any successors in title to the dominant lands from time to time, and the Grantor and its successors in title will pay all costs and expenses of the Grantee in any proceedings, including legal costs on a solicitor and client basis.

Handwritten signatures and initials in black ink, including a large scribble, a stylized 'B', and a signature that looks like 'OB'.

5. The Grantor has the right to register an interest based on this Restrictive Covenant Agreement against the servient lands to protect its interests thereunder and to ensure compliance with all terms, conditions, provisions and covenants herein contained by the Grantor and any and all successors in title from time to time.
6. All covenants of the Grantor and its successors in title herein contained shall be joint and several where there is more than one successor in title to the lands comprising the servient lands.
7. The Grantor and the Grantee covenant and agree that they will execute all further deeds, documents and assurances in such form as counsel for the Grantee or counsel for the developer, Great Plains Leaseholds Ltd. may advise, including, but not limited to, any deeds, documents, or other writings that may be necessary to give effect to be planned subdivision, and will do all acts and things which the parties may reasonably require, for the purpose of carrying out this agreement according to its true intent and meaning.
8. Golf Course

The Grantor and each of its successors in title acknowledge that the servient lands are in the vicinity of a golf course.

For the benefit and protection of the dominant lands or any part or parts thereof and so as to bind the servient lands, the Grantor covenants and agrees that the Grantor, and each of its successors in title from time to time, will not use or possess any part of the servient lands, including the residential project and each lot of the residential project, except on the following conditions:

- (a) The Grantor and each of its successors in title from time to time shall not make any claim against the Grantee or the Grantor, their employees, servants, contractors, agents, lessees and assigns with respect to injuries, damages, losses, expenses, costs, including legal costs, claims, demands, actions, suits or proceedings by whomsoever made, brought or prosecuted in any manner, based upon, related to, occasioned by, arising out of, resulting from or attributable to the usual and ordinary operation and use of the golf course facilities, including the construction, maintenance, operation, and specifically including, but not limited to any injuries, damages or losses caused or occasioned by golf balls, golf carts or other equipment used by or in connection with the golf course facilities, whether such injuries, damages or losses arise as a result of nuisance or otherwise;
- (b) The Grantor and each of its successors in title from time to time shall indemnify and hold harmless the Grantee and the Grantor from any claims made by the occupants of the servient lands or their invitees against the Grantee or the Grantor, their employees, servants, contractors, agents, lessees and assigns arising from the usual and ordinary operation of the golf course facilities (whether for nuisance or damage to person or property), save and except for claims made by the Grantor and each of its successors in title and the occupants of the servient lands and their invitees arising
