

## **A message from the RM of Edenwold**

### **Shop local**

The RM of Edenwold is proud of the over 130 businesses that make the RM their home. In fact, the highway-facing businesses you see between Balgonie and Redhead Equipment are all within the RM. This holiday season, and throughout the year, we encourage the 'shop local' movement. Those business owners are your neighbours and friends, employing people you know and working hard to build our community. A reminder: RM maps of Emerald Park businesses are available for and to local retailers. Call the RM office at 306-771-2522 if you need additional copies.

The Great Trails Treasure Hunt box unearthed in the RM.

### **Treasure Hunt seekers find what they're looking for in our RM**

Twenty-seven names were added to the participants list in the Great Trail Treasure Hunt box hiding within the RM. The treasure hunt was part of the celebration of the 25-year anniversary of The Great Trail (Trans Canada Trail). The RM is home to over 28 miles (45 kilometres) of trail. The box was hidden within White Butte Trails just east of Pilot Butte.

### **Civic addresses, community mailboxes — an update**

Civic addresses have been assigned for over 90 per cent of properties in the municipality. These addresses are submitted to the Ministry of Government Relations to be used for emergency services. Two community mail box pilot projects will be set up in Spruce Creek and the Carson Business Park. RM residents and businesses in the affected areas will have received letters to

let them know details. "We've been working at obtaining postal codes and community mailboxes from Canada Post for several years," says Reeve Mitchell Huber. "We've made a bit of progress recently."

"It's a long process, and staff at Canada Post changes," explains Jessica Mitchell, Planner with the RM. "A new regional manager has been helping us and understands the complexities of the RM."

### **Official Community Plan and Zoning Bylaw**

Upcoming public meetings are being planned to launch a draft of the updated and revised RM of Edenwold Official Community Plan to residents. "We're excited about this updated plan. It was fully informed by our residents through the community and business engagement meetings we held last year," says Jana Jedlic, Senior Planner with the RM. "We want everyone to come out to the meetings and see how our residents feedback was incorporated and to get a chance to look at the updated maps and how everyone is helping inform the future of the RM." Meeting dates will be announced through the RMs website, mail outs and social media.

### **Season's Greetings**

Everyone at the RM of Edenwold sends out best wishes for the holiday season and thanks you for being a part of our community. We wish you a Merry Christmas and all the very best in 2019. It's been another big year in the RM for our

residents, for the RM business community and for our staff and council. We thank you for being part of our community and we look forward to a prosperous and fulfilling new year.
